AUTO WASH

<b>ALL CARE AUTO RINSE</b> 	<b>Rinse Aid Automatic Dishwashers</b> Dishwashing rinse aid ideal for high-volume commercial and industrial kitchens, especially suited to work in conjunction with ALL CARE AUTO WASH Detergent for Automatic Dishwashing machines. Suitable for all classes of crockery, glassware, as well as electroplated cutlery and cooking utensils. Will not stain or streak glassware. For use in automatic dishwashing machines recommended at 80°C. Effective in hard and soft water areas. Contains acid: Do not mix with incompatible substances such as disinfectants and chlorinated substances. The product is suitable as a detergent and also suitable for use in the food industry with the proviso that direct food contact is avoided during use. Tested Against: SANS 1828:2017 (Clause 4.1.4)	6009707317590 6009707317606 6009707317613	ACAUTR0005 ACAUTR4005 ACAUTR0025	<ul style="list-style-type: none"> <li>• 5LT</li> <li>• 4 x 5LT</li> <li>• 25LT</li> </ul>
<b>ALL CARE AUTO WASH</b> 	<b>Detergent Automatic Dishwashers</b> Auto Wash is a heavy-duty, low-foaming automatic dishwashing detergent. Ideal for high-volume commercial and industrial kitchens and suitable for use in the food processing industry. Suitable for all classes of crockery, glassware, electroplated cutlery and cooking utensils. Rinses off easily. Best used in conjunction with AUTO RINSE. Product is for use in automatic dishwashing machines recommended at 80°C. Fluorinated piping only. Effective in hard and soft water areas. Product not to be mixed with incompatible substances such as acids (will release chlorine gas). Tested Against: SANS 1828:2023 (Clause 4.1.4)	6009685018069 6009707317644 6009707317651	ACAUTW0005 ACAUTW4005 ACAUTW0025	<ul style="list-style-type: none"> <li>• 5LT</li> <li>• 4 x 5LT</li> <li>• 25LT</li> </ul>

PRODUCT	DESCRIPTION	BARCODE	PRODUCT CODE	PACK SIZE
<p><b>ALL CARE POLICID</b></p> 	<p><b>Acid Descaler</b>                      This product can be used for the removal of mineral scale and oxidation deposits on equipment and assisting in the removal of corrosion within food industry plants. Policid can also be used for acid washing and descaling of equipment in a food and beverage environment. An acid descaler that improves sanitation of surfaces and equipment and rinses freely with no streaking or smearing. Product can be applied via foaming system; pressurized water supply fitted with a post pump chemical injector and compressed air supply or be used by applying it manually using a bucket. Safe for use in the food industry. Tested Against: SANS 1828:2016 (Clause 4.1.4)</p>	<p>6009707319662                      0781159896552                      6009707319686</p> 	<p>ACPOL0005                      ACPOL4005                      ACPOL0025</p>	<ul style="list-style-type: none"> <li>• 5LT</li> <li>• 4 X 5LT</li> <li>• 25LT</li> </ul>
<p><b>ALL CARE OVEN &amp; GRILL</b></p> 	<p><b>Oven Cleaner Heavy Duty</b>                      This effective heavy-duty oven cleaner is caustic in order to break down fatty deposits and contains wetting agents to enable it to penetrate porous surfaces and be effective, yet it still rinses off easily. Suitable for breaking down baked-on grease and carbon. It is Unfragranced and therefore suitable for use in all food industry applications. Oven &amp; Grill will work on all residues and surfaces but is more effective if both are warmed and recently soiled. Tested Against: SANS 1828:2023 (Clause 4.1.4)</p>	<p>6009685018014                      6009707317835                      6009685011251</p> 	<p>ACOVG0005                      ACOVG4005                      ACOVG0025</p>	<ul style="list-style-type: none"> <li>• 5LT</li> <li>• 4 X 5LT</li> <li>• 25LT</li> </ul>
<p><b>ALL CARE DRAIN CLEANER</b></p> 	<p><b>Caustic Soda Based Cleaner</b>                      Drain Cleaner is caustic soda based solution which can be used as a drain cleaner. It is recommended to take care while handling and mixing the water to the drain cleaner as it might create a reaction and will rise the temperature of the resulting solution. Tested Against: SANS 1828:2023 (Clause 4.1.4)</p>	<p>0658325263947                      0658325263954                      0658325263961</p> 	<p>ACDRAIN0005                      ACDRAIN40005                      ACDRAIN0025</p>	<ul style="list-style-type: none"> <li>• 5Lt</li> <li>• 4 x 5Lt</li> <li>• 25 Lt</li> </ul>
<p><b>ALL CARE BACTIWASH</b></p> 	<p><b>Antibacterial Hand Soap</b>                      Highly concentrated bactericidal liquid hand cleanser, containing disinfecting compounds, specially developed for the food industry.
